COVID Vaccine and Kids:

Governor DeWine announced COVID-19 Pfizer vaccinations are now available to Ohio's youth age 12 years and older, following members of the CDC's Advisory Committee on Immunization Practices (ACIP) recommended the use of the Pfizer COVID-19 vaccine for this age group.

Additionally, Ohioans 17 and under who are eligible to receive a COVID-19 vaccination will be entered into a drawing for a full, four-year scholarship to any of Ohio's state colleges and universities, including full tuition, room and board, and books. A total of five weekly drawings for a full, four-year scholarship will take place, with the first winner being announced on May 26th. A webpage will be available to register those who qualify.

COVID Alert: How Can You Protect Yourself from COVID Related Theft and Scams?

The State of Ohio has created a new outreach initiative to increase Ohioans' awareness of COVID-19 scams, fraud, and identity theft and how they can protect themselves.

The Ohio Attorney General's Office has created a series of animated videos. These episodes feature a fictional family, the Clarks, and cover the topic of identity theft, gift card fraud, and how to spot the red flags of a scam. All the new videos can be viewed at <https://www.ohioprotects.org/learn-about-fraud>
